BEVERAGE CATERING

On Tap Beverage Catering is a stylish and modern mobile beverage catering company providing tailored beverage packages and bar services that will have you and your guests impressed, relaxed and enjoying your function.

We know how important your function is, and there are no second chances - let the professionals handle it to ensure your special day is a true success.

Every event is different... That's why we tailor a beverage package to suit your particular needs. You can even provide the beverage yourself if you prefer – we can do as little or as much as you need...

BEVERAGES

A diverse selection of drinks are available including bottled and draught beer, wine, champagne, spirits and liqueurs, cocktails (including frozen cocktails), mocktails, soft drinks and fresh juices and smoothies.

PORTABLE BARS

We have stylish and modern portable bars available for hire including stainless steel bars, mobile bars, glow bars with built in LED light systems, draught bars allowing for beer "On Tap" as well as small portable draught systems for keg hire.

BAR & WAIT STAFF

Put your feet up and relax, enjoy yourself and use our bar staff, wait staff or cocktail bartenders for your next function.

Professional, personable and presentable is the motto we instil into our staff. All are trained and experienced in all types of functions and come smartly dressed to suit your occasion, our staff are guaranteed to impress!

GLASSWARE

Our glassware is available in a range of different styles for all types of events including beer, wine, champagne, highball, spirit and cocktail glasses. Plastic cups are also available and our new anti-break polycarbonate glassware is now also very popular.

BAR EQUIPMENT

Modern and high quality bar equipment can be hired in conjunction with a beverage package or separately including cocktail kits, frozen cocktail machines, marquees, ice tubs & chillers, trestle and cocktail tables.

CORPORATE

Whether your intention is to make a statement, motivate a hard working team, showcase a new product or impress your clients On Tap Beverage catering will help you deliver your message.

A dedicated team will co-ordinate and direct your function, tailored to your brand, image or key message, On Tap beverage Catering will ensure your corporate event shines.

PRIVATE

Relax on your very special day and feel like a guest in your own home or venue.

We can do it all, whether it is a full beverage package or simply providing bar staff and wait staff to help serve drinks and food throughout the event. Let us assist you with your wedding, engagement, birthday party or private celebration.

PUBLIC FUNCTIONS

On Tap Beverage Catering can cater for your public bar function, allowing you to focus on the other aspects of your event.

All aspects are covered with the Office of Liquor, Gaming & Racing and the local police & council ensuring your event is operating legally and within the parameters of the law. Cash sales, drinks on consumption, bar tabs, drink vouchers and drink coupons can all be organised to make your event run smoothly.
